## **Government Facilities Sector**

22. *January 15, Long Island Newsday* – (New York) **Authorities investigate bomb threats at three East End high schools, officials say.** Bishop McGann-Mercy High School, Riverhead High School, and Mercy High School in New York were evacuated and classes were cancelled following a series of bomb threats January 15. Police cleared the campuses after no suspicious devices were found and continue to investigate the threats.  
Source: <http://www.newsday.com/long-island/suffolk/authorities-investigate-bomb-threats-at-three-east-end-high-schools-officials-say-1.9812066>
23. *January 15, Associated Press* – (International) **2nd Navy captain pleads guilty in bribery scheme.** A second U.S. Navy captain pleaded guilty in San Diego January 15 to conspiring to commit bribery in a scheme involving a Malaysian defense contractor accused of defrauding the U.S. military out of at least \$20 million. Four officers were charged for allegedly providing classified information to Singapore-based Glenn Defense Marine Asia Ltd., in exchange for bribes.  
Source: <http://www.msn.com/en-us/news/crime/2nd-navy-captain-pleads-guilty-in-bribery-scheme/ar-AA8bwz6>
24. *January 15, KNBC 4 Los Angeles* – (California) **Bomb threat at Long Beach City College prompts evacuation.** Long Beach City College students were evacuated from buildings on the Long Beach campus January 15 while police investigated a possible explosive device in a vehicle. Classes resumed after 4 hours once police deemed the area safe.  
Source: <http://www.nbclosangeles.com/news/local/Possible-Explosive-Device-Found-at-Long-Beach-City-College-LBPD-288715801.html>
25. *January 15, United Press International* – (Oklahoma) **OK police chief shot in school bomb threat investigation.** Officials cancelled classes at all Sentinel Public Schools January 15 due to an alleged bomb threat made to the Community Action Center. The Sentinel police chief was shot multiple times and suffered minor injuries during an investigation into the threats that led a husband and wife to open fire on the police chief and two Washita County sheriff's deputies while they were entering the suspects' residence.  
Source: [http://www.upi.com/Top\\_News/US/2015/01/15/OK-police-chief-shot-in-school-bomb-threat-investigation/8651421352000/](http://www.upi.com/Top_News/US/2015/01/15/OK-police-chief-shot-in-school-bomb-threat-investigation/8651421352000/)
26. *January 15, Santa Cruz Sentinel* – (Ohio) **FBI: Man planned to bomb US Capitol, kill officials.** The FBI arrested and charged an Ohio man January 14 after his Twitter posts sympathizing with Islamic terrorists led to an undercover operation where he attempted to convince an FBI informant that they should blow up the U.S. Capitol and kill government officials by sharing his plans for the plot. A Cincinnati-area resident was also charged during the week of January 12 for threatening to murder a U.S. government representative.

## **Information Technology Sector**

28. *January 16, Softpedia* – (International) **Google reveals security flaw in Windows 7, 8.1, patch to be shipped in February.** Researchers with Google released details and a proof of concept (PoC) for a vulnerability in Windows 7 and Windows 8.1 that could allow an attacker to encrypt or decrypt data. Microsoft stated that a fix for the vulnerability will be released in February.  
Source: <http://news.softpedia.com/news/Google-Reveals-Security-Flaw-in-Windows-7-8-1-Patch-to-Be-Shipped-in-February-470191.shtml>
29. *January 16, Help Net Security* – (International) **One-click mobile fraud variant throws browser for a loop.** Symantec researchers observed a variant of a mobile one-click fraud scam currently being used against users in Japan that creates a continuous barrage of pop-up ads when a user tries to close the ad which directs them to sign up for a paid service. The attack incapacitates the browser but other apps can be used and the attack can be stopped by clearing the contents of the browser cache.  
Source: <http://www.net-security.org/secworld.php?id=17831>
30. *January 16, Softpedia* – (International) **Teen arrested for last year's DDoS attack on PSN and Xbox networks.** Authorities in the U.K. in cooperation with the FBI arrested a man January 16 for allegedly participating in distributed denial of service (DDoS) attacks against the Sony Playstation and Microsoft Xbox gaming networks during 2014.  
Source: <http://news.softpedia.com/news/Teen-Arrested-for-Last-Year-s-DDoS-Attack-on-PSN-and-Xbox-Networks-470257.shtml>

31. *January 16, Help Net Security* – (International) **Typosquatting abuse of 500 most**

**popular websites analyzed.** Researchers with the University of Leuven in Belgium and Stony Brook University in the U.S. released a report on their research into typosquatting domains where attackers register domains for misspelled popular domains to attempt to capture traffic. The researchers found that half of all typosquatting domains can be traced back to four page hosters, and that 95 percent of the most popular domains are targeted by typosquatters, among other findings. Source: <http://www.net-security.org/secworld.php?id=17833>
